

REMARKS

Status of Claims

Claims 1-23 are allowed except for formal matters involving the reference to attorney docket numbers throughout the specification, which the Examiner indicates must be removed. Prosecution on the merits is closed in accordance with the practice under Ex parte Quayle, 1935 C.D. 11, 453 O.G. 213.

Applicant wishes to thank the Examiner for the notice of allowed subject matter, and herein amends the application in accordance with the Examiner's request. No claim amendments have been made, and therefore under 37 CFR 1.121, no claim listing is provided herewith.

Applicant submits that the application is in condition for allowance, and respectfully requests notice thereof.

The Commissioner is hereby authorized to charge any additional fees that may be required for this amendment, or credit any overpayment, to Deposit Account No. 06-1130.

In the event that an extension of time is required, or may be required in addition to that requested in a petition for extension of time, the Commissioner is requested to grant a petition for that extension of time that is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to the above identified Deposit Account.

Respectfully submitted,
